Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner of Patents and Trademarks

**Response to Non-Responsive Amendment**

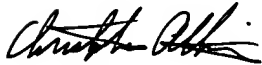

The communication filed on 2/16/2001 is non-responsive to the prior Office action because of the following reason:

Applicant has failed to reply to every ground of art rejection (i.e. the rejection of claim 5) and each claim. See 37CFR 1.111 (b). It is unknown what applicant believes is the different between the prior art and claim 55 since applicant only states "Claim 55 is ... **similar** to claim 34". It is unknown what "similar" means when determining patentability between claim language and prior art.

Since the response appears to be *bona fide*, but through an apparent oversight or inadvertence failed to provide a complete response, applicant is required to complete the response within a

time limit of one month from the date of this letter or within the time remaining in the response period of the last Office action, whichever is the longer. NO EXTENSION OF THIS TIME LIMIT MAY BE GRANTED UNDER EITHER 37 C.F.R. § 1.136(a) OR (b) BUT THE PERIOD FOR RESPONSE SET IN THE LAST OFFICE ACTION MAY BE EXTENDED UP TO A MAXIMUM OF SIX MONTHS.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Christopher Atkinson whose telephone number is (703) 308-2603.
